LETTER OF APPRECIATION

Sir/Madam,

We on behalf of Zilla Panchayat, Bangalore Urban District & District Health and Family Welfare Society, Bangalore Urban District are very much thankful to your organisation for the services rendered and cooperation extended to the AROGYA MELA 2019 held on 5th March, 7th March & 9th March 2019 at various places of Bangalore Urban district. More than 7500 people have attended the mela from various sections of the society and availed the services at Arogya mela on three occasions. It would not have been a huge success without your enthusiastic participation at Arogya Mela.

Looking forward for your support & cooperation in all the future programmes.

With regards,

Yours Sincerely,

Dr.Sanjana Patrick

Dr.Keerthi G

This is to place on record our gratitude and appreciation to Dr Moni Abraham Kuriakose, Director, Cochin Cancer Research Centre and the teams from Biocon Foundation and KLES Institute of Dental Sciences for the enthusiastic support we received for the Oral Cancer Control Program conducted at Rashtrapathi Bhavan from 27th July to 3rd August 2018.

The session conducted by Dr Moni Abraham Kuriakose and Dr Praveen Birur covered cancer awareness, risk factors, tobacco cessation, prevention, public education, screening, early diagnosis and survivorship.

Within the framework of the Oral Cancer Control Program the team comprising Dr Praveen Birur, Dr Keerthi G and Dr Sanjana Patrick, successfully screened 790 beneficiaries and trained our staff to take the Screen & Treat program forward. The program has resulted in improved awareness about the importance of tobacco cessation and the Screen & Treat program triaged the high-risk group.

We look forward to a continued and productive association in future.

Sincerely,
