Report: Ganesh Chaturthi: 13th September 2021

Ganesh also known as Ganapathi and Vinayaka is widely revered, as the remover of obstacles; the patron of arts and sciences; and the god of intellect and wisdom. As the god of beginnings, he is honoured at the start of rites and ceremonies. Ganesh is also invoked as patron of letters and learning during writing sessions. In honor of lord Ganesh, "Ganesh Chaturthi" is celebrated by people all over India for 10 days. In order to promote a green environment, a clay idol of Lord Ganesh was installed in the hostel premises and pooja was performed for 10 days. Prasadam was distributed to all. The staff and students enthusiastically involved themselves in the celebrations. On the 10th day lord Ganesh was taken with great pomp and ceremony by the staff and students to be immersed for the visarjan. Thus, the festival of Ganesh Chaturthi is celebrated annually in the institution as a symbol of hope and prosperity.

Ayudha Puja celebration report 2021
Department of Pediatric and Preventive Dentistry

Ayudha Puja is a part of the Navratrifestival (festival of triumph), a Hindu festival which is traditionally celebrated in India. It is also called "Astra Puja". In simple terms, it means "Worship of Instruments". It is celebrated in Karnataka as AyudhaPuje. In Karnataka, the celebration is for killing of the demon king Mahishasura by goddess Durga. After slaying of the demon king, the weapons were kept out for worship. We at KLE Institution celebrated it on 14th Oct 2021, wherein the non-teaching staff cleaned all the equipment and instruments of their respective Departments and each department celebrate by keeping the Photos of Lord Ganesh, Goddess Saraswathi and Goddess Lakshmi. A Kalasha decorated with flowers are placed in front of these photos and Kalasha Puja is done, which is an ancient Indian spiritual practice for the fulfillment of specific desires for welfare of oneself or one's family. Observation of prayers, offerings, incantations to the Lord Almighty (normally the Goddess) who is worshipped as the wish fulfilling Kalasha. Sweets and puffed rice with kaaraboondi are distributed to staff, students and others on this occasion. Staff and students visit other Departments and participate in the pooja, and sweets are offered to each other.

KLE SOCIETY'S INSTITUTE OF DENTAL SCIENCES
REPORT – Kannada Rajyotsava 2021

Kannada Rajyotsava denotes the birth of Karnataka and is celebrated very enthusiastically all over the state on November 1st. The beauty of this day is that it is enjoyed with as much excitement across all age groups and religion, making it a truly wholesome and inclusive celebration. It is a day to pay tribute to the state of Karnataka, celebrate its progress and work towards its continued development. It is not just a public holiday but a time to honor the state.

Our college celebrated Kannada Rajyotsava on the 30th of November. The entire campus was decorated with red and yellow flags denoting the 'Arisima' (Haldi) and 'Kumkuma' in the Karnataka flag.

The celebration started in the morning with a pooja to Goddess Bhuvaneshwari followed by a special folk song rendition by the interns. Faculties Dr.Sudarshan and Dr.Prashanth enlightened the staff and students about the importance of this day and threw light on the need to learn the local language while communicating with patients.

The highlight of the day was the flash mob by the interns, paying a tribute to Dear Appu (Late Puseeth Rajkumar) which was accompanied by the teachers and enjoyed by everyone. The day ended on a happy note and sweets were distributed to everyone. Kannada songs were played the whole day in the campus reminding us, the birthplace of our foundation.

Principal

STUDENTS' COUNCIL ELECTIONS 2021-2022

In the month of February 2022, applications were invited from students of III and IV BDS for the posts of General Secretary, Joint Secretary, Cultural Secretary, Sports Secretary, Scientific and Treasurer. There were four applications for the posts of Scientific Secretary and two each for General Secretary, Cultural Secretary, Treasurer, Sports Secretary, and Joint Secretary,

The election was scheduled for February 23rd. Campaigning with posters, rallies and speeches was not allowed. Voting was compulsory for all the III and IV BDS students (regular and odd batch).

Lists of the students' names were printed out classwise. On the appointed day, the election for the posts of General Secretary, Joint Secretary, Cultural Secretary, Scientific Secretary and Treasurer and Sports Secretary was conducted. The ballot box was locked and Counting was carried out on the same day in the presence of one student observer (Intern) and by the members of the Students' Welfare Committee. A total of 90 votes were polled. Each vote was entered in the tally sheet, which was signed by the SWC members, the observer and the Principal.

Raja Yeshwanth polled 50 votes to become General Secretary. Fehmida polled 42 votes to become cultural secretary. Chaitra polled 38 votes to become Treasurer. Jayashree polled 40 votes to become Scientific Secretary and Shashank polled 47 votes and became sports secretary and Sandhra Johnson polled 43 votes and became Joint Secretary.

Our college has an active Student Welfare Committee that includes both staff and students.

The staff members of the committee comprise of Chairman, Co-Chairman, Advisors, Cultural head, Scientific head, Sports Head, and coordinators.

The student committee includes General Secretary, Joint Secretary, Cultural Secretary, Sports Secretary, and Scientific Secretary.

Every year the college elections for the student committee is conducted approximately in the month of August to September.

The election processes begins with nominations to be filed one week prior to the election day. On the election day, votes are casted by the students in lecture hall after the nominees present their eligibility speech. Votes are counted by the previous staff and student committee members, and finally announce the elected candidates for the upcoming year.

The activities organized by the members include under the supervision of the respective heads:

- Fresher's day : This is organized to welcome the new batch of students every year, that introduces them to the college environment and breaks the fear amongst their peers, and staff members.
- Rajyothsava : This celebration enhances the rich culture of Karnataka in the students, reminds the need to conserve the language, and also brings about the sense of inclusion of other state students.
- Cultural Day : The students enthusiastically participate in various events like dance, singing, painting, art, fashion show, etc; and showcase their talents. This also gives them an opportunity to step above their stage fear.
- Sports Day : Various sports events like cricket, football, badminton, relay, marathon, shot put, tug of war, etc ; These events bring about teamwork, sportive mindset, healthy competition amongst the students.
- Scientific Day : paper, poster, table clinics, and other events are organized to tune the budding dentists in the academic field. It gives them a broader picture about the branch and the ideas of innovation.
- Annual Day: This event focuses on analysis the overall performance of not just the students but also the individual department progress. The necessary are awarded as well to boost their spirit.
- Women's day : The main moto of the event is to boost the confidence in female students, staff and non teaching staff against the odds of the society. It helps in instilling a self reliable attitude.
- Convocation : It is a celebratory ceremony wherein the graduates are officially forbid and the degrees are conferred marking an important part of their journey that reminds their hardwork, dedication has payed off.

Thus, every year the Committee brings up new ventures in the welfare of the students.

1. OUTREACH PROGRAMMES:

Awareness program was conducted at various places to the patients who visited the same.

1. Government Pre-University College, Nelamangala:

A Dental Screening and treatment camp was conducted at Government Pre-University College, Nelamangala on 23-05-2022 on the eve of tobacco week celebration by District Tobacco Control Unit on account of "World No Tobacco Day - 2018".

Carbomonoxide analyzer was used among students with history of smoking and each student was explained about the ill-effects of tobacco use and study materials were distributed.

WORLD NO-TOBACCO DAY PROGRAMMES

To observe the "World No Tobacco day", the undergraduate students, staff, and the post graduate students of the Department of Public Health Dentistry - K.L.E Society's Institute of Dental Sciences, Bangalore had taken part in the programmes conducted by Karnataka Cancer Society at Dayanand Sagar College of Dental Sciences on 31st May 2022.

The Theme for the year 2022 was "Tobacco – Threat to Environment". A rally was conducted from Banashankari bus stop to Dayanandasagar dental college and oath taking was held to create awareness and ill effects of tobacco use.

1. POSTERS SENT TO KARNATAKA CANCER SOCIETY:

Posters were made by the Under-graduate and were displayed at the Karnataka Cancer Society.

The posters were appreciated by all.

2. SHORT DOCUMENTARY MOVIE SENT TO KARNATAKA CANCER SOCIETY:

Prepared by: Department of Public Health Dentistry

Directed by: Arya Ashokan

Title: The Drag

A short documentary movie, based on the theme, was made in order to celebrate the "World No- Tobacco day". The movie focused on the use of tobacco products, complications and its effect on the daily life of the users.

It strongly recommended quitting of tobacco products by the adults.

The movie was sent to Karnataka Cancer Society and was displayed to the public as a part of the awareness program.

The movie was appreciated, acclaimed for its strong message and was acknowledged.

3.RANGOLI COMPETITION:

Rangoli competition was conducted at Dayanand Sagar College on the eve of World No Tobacco Day, in which our college undergraduate students took part and were awarded for the same.

AWARDS REWARDED TO:

- Dr. Aarya Ashokan and team (Short movie)
- Dr. Ankita Reddy and team (Rangoli)

2.NIMHANS CONVENTION CENTER:

The undergraduate students, staff, and the post graduate students of the Department of Public Health Dentistry - K.J.Somaiya Institute of Dental Sciences, Bangalore had taken part in the panel discussion on "Eliminating Cigarette and Bidi butts" conducted by National Institute of Mental Health and Neuro Sciences (NIMHANS) in collaboration with Consortium for Tobacco Free Karnataka (CFTFK) on 31st May held at NIMHANS Convention Center.

The panel discussion was followed by a special session on "Quitting Tobacco, No More a Struggle" by National Quitline Team, NIMHANS and "Young Voices for Tobacco Free Generation" by Tobacco Control Champions of CFTFK.

3. ANTI- TOBACCO ACTIVITIES IN COLLEGE:

The Department of Public Health Dentistry of K.L.E Society's Institute of Dental Sciences, Bangalore has conducted various activities in the college premises, such as:

- Health Awareness Campaigns.
- Patient Motivation Campaigns.
- Counselling of patients using Smoke analyzer.

Smoke analyzer[®] monitor was used to measure the amount of poisonous carbon monoxide (CO) on a person's breathe and the patients were educated about the ill effects of smoking.

CAMP REPORT

Date- 20/11/2021

Venue- True Light International Orphanage

As a part of Children's Day celebration, a screening and treatment camp was organised by the Department of Pediatric and Preventive Dentistry at True Light International Orphanage located in Ambedkar Nagar, Bengaluru on 20th November 2021. The team of doctors included staff – Dr Madhu K, Dr Srinivas L S, Dr Ravi Kumar S, Post Graduate students – Dr Inzar, Dr Harshini and Interns Dr Mark and Dr Keerthana. The orphanage housed a total of 16 children who ranged in age from 8 years to 15 years. Preventive and primary treatment was successfully given to all inmates. The camp started with information on oral hygiene maintenance and demonstration of brushing techniques followed by a thorough preliminary oral examination of all the children. All 16 children received topical fluoride application while other treatments like pit and fissure sealants, preventive resin restorations and other conservative restorations were done only in children requiring them. The camp successfully concluded with another session of oral health care instructions and thanks giving.
