Information on Exam Reforms

Following protocols were initiated as exam reforms during pandemic COVID-19.

1. COVID-19 (RT-PCR) test was conducted for all the exam going students and staffs assigned for duties prior to examination.
2. Temperature was checked for the students and staff before entering examination hall.
3. Students were asked to sanitize hands before and after exams.
4. Students were instructed to wear masks throughout the examination.
5. Students were made to sit at a distance of 6 feet.
6. Invigilators were asked to wear masks, face shields and gloves during the sessions.
7. Separate rooms were maintained for COVID positive students and for those who had Influenza Like Illness (ILI) symptoms.
8. COVID positive students were asked to wear a PPE kit and also the Invigilator posted for the COVID positive student.
9. Social distancing was maintained during the scanning process of answer scripts.
10. Separate entry and exit were maintained to prevent criss crossing of students.
